Dr. A. W. Hendrick,  
719 Board of Trade,  
Portland,  
Oregon.

Dear Dr. Hendrick:

I have to-day written as you request to the Honourable W. S. Bruce on behalf of your candidature of the position of the President of the State University of Idaho.

As I told Mr. Bruce in sending such a testimonial I have to rely on the opinions that I have been given by other members of our staff who were acquainted with you personally.

I hope that my letter may be of some service to you.

Yours sincerely,

President.
